

ITX M-300

The compact M-300 ITX case has a modern designed front panel, which is skillfully staged by a small grid element. Centered ports for USB 2.0 / 3.0 as well as audio facilitate handling as well as other thoughtful features.

These include a cover with quick lock, the mounting angle for a 2.5" HDD/SSD, which can be mounted either left or right in the case, and the compact Mini-ITX PSU.
