Argus RGB-Fan Set RS-07 – makes your world more colorful!

The three 4pin PWM 120mm RGB fans from Argus offer great lighting for your PC case and, with the included wireless remote control and control unit, offer over 300 different effects and modes. If that is not enough, you can also manage and control all RGB LEDs synchronously via the mainboard using the integrated 5V RGB header (addressable RGB LEDs).

The 24 integrated RGB LEDs, placed behind two transparent crystal effect rings per 120mm fan, guarantee exceptional lighting effects. Rubberized pads below the mounting holes reliably prevent the fans from transmitting vibrations to the PC case and ensure smooth operation at up to 900rpm and 22 dBA.

The set can easily be expanded with up to five further, optionally available Argus RGB fans and two optionally available Argus RS-042 RGB LED strips.

- ✓ Radio remote control (about 10m range)
- ✓ 3pin RGB header connector for 5V RGB motherboard control
- ✓ 24 bright RGB LEDs per 120mm fan with crystal effect
- ✓ expandable by five more RGB fans and two RGB LED strips

Specifications

Fan dimensions (H/W/D)	25/120/120mm
Fan speed	900rpm
Rated voltage	12V
Power/ fan	3W
Air flow/ fan	59.81cbm/h
Noise level/ fan	22dBA
Connector	4pin PWM
Package dimensions (H/W/D)	140/125/105mm
Weight (net.)	510g
Weight (gross)	565g
Packing units (VE/VPE/PAL)	1/20/600
Warranty	24 Months
Article number	88885537
EAN-Code	4260455646161
Scope of delivery	3x Argus RS-07 RGB LED fan Control unit for up to 8 fans and two LED strips <small>(magnetically attachment in the case)</small> RF wireless remote control 3-fold PWM Y-cable 1x 50cm extension cable for RGB fan Fan screws Manual <small>(german)</small>
Features	Three Argus RS-07 Lüfter with 24 RGB LEDs included Expandable to a total of 8 fans and two LED strips > 300 effects via control unit and remote control 3pin RGB header connector for 5V RGB motherboard control Rubberized fan corners for vibration-free operation 2pin connector for connecting the RGB control unit to the reset button of the PC case Fan with fluid bearing
