

MTS-105 – high quality mobile phone and tablet holder

The foldable holder MTS-105 offers all mobile phones and tablets, up to a size of 12" and 750g, a secure stand and can be tilted in 5 angles from 40°-70°. Height adjustment is problem-free possible in 6 steps by simply pushing.

Made of titanium gray aluminum, it does not only look timeless and extremely high quality, but also prevents the end device from slipping thanks to the non-slip surface and the four integrated non-slip feet.

When folded, it fits into almost any trouser pocket.
